## PROVISIONAL OPERATIONAL APPROVAL

MEMORANDUM FOR: Chief, SAS

ATTN: William Wainwright

NUMBER

C-101,080

SUBJECT

AMLAER/1

REFERENCE: Your Memorandum, Dated

10 July 1963

aal

A Provisional Operational Approval is granted for the use of this Subject as set forth below.

A Provisional Operational Approval issued by CI Staff grants the same authority, on a temporary basis, for the use of an individual as the authority granted in an Operational Approval unless otherwise specified by CI/OA. It is based, however, only on preliminary file checks and investigation and is subject to a further final review when all investigation is completed.

1. In reference to your 10 July 1963 memorandum, a Provisional Operational Approval is being reinstated for a period of 90 days, until 1 November 1963, and processing initiated for full Operational Approval.

2. While we realize that Subject is in Cuba and out of direct contact at this time, we lack sufficient details about what has transpired in this case to make an assessment for full Operational Approval. The following information should be available at or obtainable by SAS and is desired by CI/OA:

- a. Full PRQ Part I;
- b. Paris debriefing report; and
- c. Field traces: Helsinki, Mexico and Spain.

3. It is also suggested that Subject be given an LCFLUTTER test at the first opportunity, to cover specifically the following points:

- a. Political sympathy;
- b. Connection with other intelligence services; and
- c. Homosexual tendencies (see PRQ Part II).

CI/OA/Initial *fw*

To process the Operational Approval, full information (completed PRQ Parts I and II) must be submitted as soon as possible and not later than six (6) months from this date. An Operational Approval will follow when all investigation is completed and upon the receipt of satisfactory PRQ Parts I and II. Cancellation must be requested if use of Subject by interested Divisions ceases.
